PRINTING TIPS

- Printer setting: 'Actual size' (not 'Fit') so boxes stay true to size. A5 prints from the A5 file, or print Letter at 70% and trim.
- Paper: any printer paper works. For binders that get daily love, use 32 lb / 120 gsm or cardstock.
- Cash stuffing: pair each tracker with a labeled envelope or A5 pouch. Laminate the Dashboard and use dry-erase markers to reuse it yearly.
